TRAVEL DOCUMENTS AND VISAS

If an invitation letter is required:

- Fill out the ANSI Visa Invitation Letter Form attached with this invitation, follow directions for submission. ANSI encourages those who need a visa to act immediately.
- One form submission per delegate.
- Contact ISOT@ansi.org for help

MEETING ACCESS

All attendees need to register at latest by 17 October 2019 at both following URLs.

1. Delegates register at the ISO meetings site: <https://sd.iso.org/meetings/60057>.
2. Delegates register at the following Samsung-sponsored site to provide additional logistical information and contact information. <https://www.eventbrite.com/e/85th-jpeg-meeting-isoiec-jtc-1sc-29wg-1-tickets-55397332914>

If a delegate travels alone, we suggest providing optional emergency contact information, possibly to the Convenor or to the host privately.

Meeting access is provided by coming to the Samsung site each day and receiving a visitor access badge from Samsung's on-site security ambassadors at the South Tower lobby. JPEG names badges will also be available from the lobby ambassadors. You are visiting a corporate facility; your visitor name badge is required to be visible while attending meetings.

Delegates may use this chance while on campus to visit other Samsung employees. Any such visits must be coordinated with your employee host. Contact the JPEG technical contact if you have questions.

NO FACILITIES FEE

There is no facility fee for this meeting.

CANCELLATION POLICY

There is no cancellation impact due to no cost attendance.

LODGING

Lodging is a delegate's responsibility. The following list provides lodging suggestions based solely on distance, convenience to local public transportation or nearby cities. These are clippings courtesy of Yelp made in March 2019.

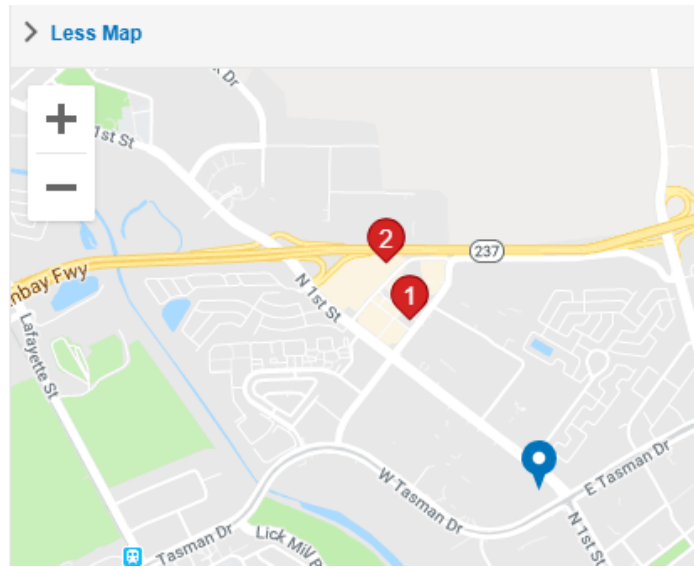

Walking distance:

1. Hyatt House San Jose/Silicon Valley
★★★★☆ 107 reviews
\$\$ - Hotels

2. Courtyard San Jose North/Silicon Valley

AIRPORTS

The San Francisco area has three international class airports, San Francisco International (SFO) with flights from anywhere in the world, San Jose (SJC) with frequent service from Asia and Oakland (OAK) with service to several European locations.

San Jose International is closest to the Samsung site, but has fewer flights than San Francisco International.

VIDEO AND PROJECTOR CONNECTIONS

Samsung has mostly televisions in its collaboration rooms. Delegates should have a computer compatible with an HDMI 1.4 male connector. In some cases, legacy VGA connectors are present, but **please try not to rely on VGA.**

SPECIAL PROJECTION REQUIREMENTS FOR PLENARY PRESENTATIONS

The plenary room is equipped with a 2-meter-tall LED projection wall with a 32:9 aspect ratio. The screen can use standard formats, but it would be nice to take advantage of the screen if you can.

We caution delegates that the LED screen is very bright. Delegates are encouraged to use a dark mode background on any presentations with at least 18% grey tone.

INTERNET

Samsung supports a robust guest internet on campus.

Login to the "Internet" SSID and follow instructions.

GETTING TO THE VENUE

The South Bay area has a few public transportation options, but many people drive. It is possible to not rent a car by either taking a shared ride (Uber, Lyft) a taxi or pool van to the San Jose area from any of three major airports.

EXPECTED WEATHER

The average temperature is 22 °C (72 °F) high and 10 °C (50 °F) low. The average chance of rain is 15%.

ELECTRICITY

The voltage in the United States is 110V 60Hz. Two-pin and two-pin and ground plugs are standard.
